

Strawberry Jam by Eren Nova

[Verse]

You left me with a jar of strawberry jam
A bittersweet reminder of who I _____
The taste on my lips can't _____
To the memories we used to _____

[Verse 2]

Morning light hits the _____ bed
Echoes of words we never _____
The silence screams louder than _____
In the absence of your _____

[Chorus]

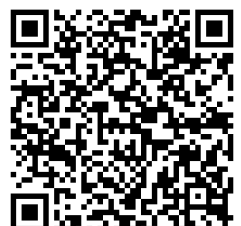

Strawberry jam on my _____
A little piece of you I miss the _____
Sweetness fades but the pain _____
Every bite takes me back _____

[Verse 3]

I wash the spoon but can't _____
The stains of you in every _____
Your laughter still haunts the _____
In the quiet where the shadows _____

[Bridge]

I thought time would heal these _____
But the flavor of loss _____
It's in every fruit I _____
In every dark and sleepless _____
