

## Can't Sleep by Aya Down

### [Verse 1]

Midnight's heavy on my \_\_\_\_\_,  
Shadows creeping, no \_\_\_\_\_.  
Clock hands dancing in the \_\_\_\_\_,  
Every thought a painful \_\_\_\_\_.

I close my eyes, but I'm wide \_\_\_\_\_,  
Heart's a drum that I can't \_\_\_\_\_.  
Toss and turn in my bed of \_\_\_\_\_,  
Night whispers, calling my \_\_\_\_\_.

### [Pre-Chorus]

Oh, the silence cuts too \_\_\_\_\_,  
A thousand voices, I can't \_\_\_\_\_.  
Breaking down, no peace to \_\_\_\_\_,  
Prisoner in my own \_\_\_\_\_.

### [Chorus]

I can't sleep, no, I can't \_\_\_\_\_,  
Caught in the static of this \_\_\_\_\_.  
Night keeps pulling me \_\_\_\_\_,  
I'm wide awake, I can't \_\_\_\_\_.  
I can't sleep, I can't \_\_\_\_\_,  
These demons won't take their \_\_\_\_\_.  
Breaking down, I'm on my \_\_\_\_\_,  
I'm wide awake, I can't \_\_\_\_\_.
