*Song: Love's Aftermath by Alex&Denise*

 Listen to the song and complete the missing words.

### [Verse 1]

I remember when you said \_\_\_\_\_,  
Now \_\_\_\_\_'s just a memory, whatever.  
Thought we had it all, but it \_\_\_\_\_ away,  
Left me standing in the dark, no words to \_\_\_\_\_.

### [Chorus]

But I'll rise from the \_\_\_\_\_, stronger than before,  
Won't let your \_\_\_\_\_ haunt me anymore.  
In love's \_\_\_\_\_, I'll find my way,  
Step by \_\_\_\_\_, I'll heal, day by \_\_\_\_\_.

### [Rap Verse 1]

Yo, I was lost in your \_\_\_\_\_, now I'm finding me,  
Was blind to the \_\_\_\_\_, now I'm finally free.  
Heartbreak \_\_\_\_\_, yeah, it took me down,  
But I'm back on my \_\_\_\_\_, can't keep me on the ground.  
Was caught in your \_\_\_\_\_, played like a fool,  
But I'm rewriting the \_\_\_\_\_, making my own moves.  
You were the \_\_\_\_\_, now I'm the calm,  
Building my \_\_\_\_\_, dropping the bomb.

### [Verse 2]

Took a while to see the \_\_\_\_\_ again,  
But now I'm shining \_\_\_\_\_, no more pretend.  
All the tears I \_\_\_\_\_, they made me strong,  
I found my \_\_\_\_\_, now I'm singing my own song.

### [Chorus]

But I'll rise from the ashes, stronger than \_\_\_\_\_,  
Won't let your shadows haunt me \_\_\_\_\_.  
In love's aftermath, I'll find my \_\_\_\_\_,  
Step by step, I'll heal, day by day.

### [Rap Verse 2]

Yeah, I took the \_\_\_\_\_, turned it into power,  
No more sleepless \_\_\_\_\_, no more dark hours.  
You thought you \_\_\_\_\_ me, but you were wrong,  
I'm moving \_\_\_\_\_, yeah, I'm already gone.  
Building my \_\_\_\_\_, brick by brick,  
You were just a \_\_\_\_\_, now I'm writing it thick.  
No more \_\_\_\_\_, got my eyes on the prize,  
In love's aftermath, I'm on the \_\_\_\_\_.

### [Bridge]

So here's to the \_\_\_\_\_, and here's to the pain,

Here's to the \_\_\_\_\_, and dancing in the rain.

I'm grateful for the \_\_\_\_\_, they made me who I am,

I'm moving \_\_\_\_\_, don't need you, understand?

### [Chorus]

But I'll rise from the ashes, stronger than before,

Won't let your shadows haunt me anymore.

In love's aftermath, I'll find my way,

Step by step, I'll heal, day by day.

### [Outro]

In love's aftermath, yeah, I'm finding my \_\_\_\_\_,

Leaving behind every \_\_\_\_\_, every trace.

Stronger than ever, in my own \_\_\_\_\_,

On this journey to love, I'm in a better \_\_\_\_\_.
