

## Lose Your Mind by Emilia

### [Verse]

In the mirror a \_\_\_\_\_ face  
Mind's a battlefield don't \_\_\_\_\_  
Close your eyes let the madness \_\_\_\_\_  
Lose control break down the \_\_\_\_\_

### [Verse 2]

The ticking clock it's \_\_\_\_\_ you  
\_\_\_\_\_ slip what will you do  
Run away or face the \_\_\_\_\_  
In \_\_\_\_\_ find your form

### [Chorus]

Lose your \_\_\_\_\_ let it fly  
In the \_\_\_\_\_ touch the sky  
Break the \_\_\_\_\_ don't you hide  
Heart's a \_\_\_\_\_ burning wild

### [Verse 3]

Voices whisper \_\_\_\_\_ loud  
In the dark you stand \_\_\_\_\_  
Shadows creep but you don't \_\_\_\_\_  
Caged no more breathe the \_\_\_\_\_

### [Bridge]

Choices spin a dizzy \_\_\_\_\_  
What is \_\_\_\_\_ what is real  
Grasp the light within the \_\_\_\_\_  
Power pure can't be \_\_\_\_\_
