

## Neon Dreams by Amy Synthwave

### [Verse]

Under the \_\_\_\_\_ sky we \_\_\_\_\_  
Can't escape your \_\_\_\_\_ by my side  
I wanna \_\_\_\_\_ but your scent's so \_\_\_\_\_  
In my dreams you're the \_\_\_\_\_ I meet

### [Verse 2]

Echoes of our \_\_\_\_\_ in the night  
Your eyes shine like the \_\_\_\_\_ bright  
We \_\_\_\_\_ on rooftops chasing \_\_\_\_\_  
Neon dreams don't seem that \_\_\_\_\_

### [Chorus]

Got you \_\_\_\_\_ on my \_\_\_\_\_ all the time  
When I \_\_\_\_\_ my eyes you always \_\_\_\_\_  
Neon dreams we fly \_\_\_\_\_  
In this moment make it \_\_\_\_\_ forever

### [Verse 3]

Silent \_\_\_\_\_ in the twilight air  
Can't forget that \_\_\_\_\_ hair  
Your \_\_\_\_\_ a spark in the darkest \_\_\_\_\_  
With you my world is \_\_\_\_\_

### [Bridge]

In the \_\_\_\_\_ we chase what's \_\_\_\_\_  
Your \_\_\_\_\_ is all I feel  
In a \_\_\_\_\_ full of endless \_\_\_\_\_  
You're my day and my \_\_\_\_\_
